Family Re-union At Bosse Home

PLAMONDON—A happy family reunion took place at the home of Mr. and Mrs. Joe Bosse on Sunday. Their daughter, Sr. Emma from St. Albert, came to visit them before going east, where she will take her last vows to become a nun of the Order of Grey Nuns.

Every member of the family was present: Yvonne, Edmonton; Mr. and Mrs. Alfred Bosse, Drayton Valley; Mr. and Mrs. Alfred Fonori, Venice; Mr. and Mrs. Alex Bosse and Mr. and Mrs. Philip Cyre. Leo was also back from Ontario.

It was the first time all the families gathered together in 11 years.

Sr. Irene Perron, Mrs. Alex Bosse's sister, accompanied Sr. Emma. She is also going east for her final vows.

Dance Honors Herb Erickson

LAC LA BICHE—A dance was held in the Memorial Hall, Aug. 31 for Herb Erickson who won second in the Dominion Archery contest.

Herb gave a demonstration in the hall in which he shot an apple off a dummy's head.

A fair crowd attended the dance despite the rain. There were five door prizes.

The winners were: Miss Clara Bourassa, first; Miss Mary Evan-chuk, second; Miss Stella Lachouchik, third; Mr. Tony Sampre-tin, fourth; Mr. Bobby Rudiger, fifth.

Mass Celebrated At Craigend

GRASSLAND—Many from Grass-land attended the celebration of mass under the rites of the Ortho-dox Church at Craigend. Num-bered among the visitors from this district were Mr. and Mrs. Konon-chuk, Mr. and Mrs. Yakowchuk, Mr. and Mrs. Hula, Mr. and Mrs. Sadownik, Mr. and Mrs. Semenjuk, Mr. and Mrs. Medwid and Mr. and Mrs. Chromiak.

Baseball At Picnic

BRIERVILLE—Quite recently a picnic was held on the Brierville Community grounds. Baseball games and races for young and old were the main entertainment.

St. Lina walked away with first prize for senior baseball and Lac la Biche took home first prize for the intermediate teams.

Heavyweight Boxer—The trouble is, I don't sleep well.

Doctor — You must practice auto-suggestion a little. Why not lie on your back, relax and count slowly up to ten.

Hosko, Mrs. Charles Otto (10 years old). Front row—Arthur Sradeja (7 years).

Bishop Pierce Dedicates New Minshall Organ

Colinton Anglican Church was filled to capacity recently when Rt. Rev. Bishop Pierce dedicated the new Minshall Electric Organ. The dedication of the organ is the culmination of many years work on the part of the congregation and is a memorial to the late Mrs. J. D. Robertson who was for many years a faithful organist in the church.

In his dedication address, Bishop Pierce spoke of the many activities of Mrs. Robertson and of her long and faithful service to the church itself. He brought back many memories of years gone by.

He was assisted in the service by Ven. Archdeacon Humphries, Rev. Crisfield and Student Minister Blair Brown.

Following the services, Organist Mrs. E. Day played Handel's "Largo," by special request. The entire congregation was then served a delicious lunch in the Parish Hall, guests of the W.A.

Fraser-Cordingly Vows Pledged

An attractive late summer wedding was solemnized in St. Mark's Anglican Church, Plum Lake when Miss Joan Cordingly became the bride of Douglas Noel Fraser.

The bride is the daughter of Mr. and Mrs. M. P. Cordingly of Boyle and the groom is the son of Mrs. J. Donovan of Fort Assinaboine. The ceremony was performed by Rev. R. Christfield.

Entering the church on the arm of her father, the bride wore a strapless bouffant style gown of nylon net and chantilly lace with matching jacket. Her three-quarter length veil was held in place by coronet head piece trimmed with pearls and sequins. The bride carried a bouquet of American Beauty roses and jonquills.

Attending the bride was Miss Nancy Pelech, wearing a yellow strapless gown of nylon net and

Baptiste Lake Hit By Storm

The heaviest rain of a very wet summer fell on the district early this week. Starting with a violent electrical storm which broke at about 2 a.m. Tuesday and raged for seven hours, the steady down-pour lasted until the early hours of Wednesday morning. Official rain gauges recorded a total of approximately four inches of precipitation.

Baptiste Lake, already far above its normal level, has risen another foot at the time of this report, and it is anticipated that it will rise still further as all streams feeding the lake are running at flood level.

Roads remained passable in most cases, but were very rough with numerous washouts where culverts could not carry water away fast enough. The bridge near Winding Trail School was washed away and people living west of the creek were isolated temporarily. A government bridge crew is now at work installing the new bridge.

Damage to crops was not as severe as at first feared, although much grain is down and will be difficult to harvest, even when it is possible to move machinery on the soggy fields.

Farewell Party For Mr., Mrs. Marrinier

GRASSLAND—A farewell party was held recently in the Community hall in honor of Mr. and Mrs. Rene Marrinier, who are leaving for Boyle, where Mr. Marrinier will be acting as vice-principal of the school this term.

lace with matching bolero and gloves. She carried a bouquet of yellow and mauve carnations.

Following the reception which was held at the home of the bride's parents, the bride changed to a navy and white linen dress, complemented with pale blue accessories for her wedding trip.

The bride and groom will make their home in Edmonton.

Rainbow Room Developed From Hobby

COLINTON—The electrical department of the Red & White Store has been completely renovated and is now open for business. This business was commenced several years ago more or less as a hobby by Doug. Hay in the years when Mr. Hay, Sr., was still active in the store business. The "hobby" as it were, has now developed into a full time business and now occupies a prominent place in the store itself. The room set aside for show-place has been changed from an unattractive place lined with shelves and bins necessary when it was used as a post office.

The windows have been closed in and lighting is supplied by a neat line of glass blocks.

The walls are finished with modern material known as peg-board. This is to enable the putting up of shelves in any place in the room with the minimum of effort. These walls are painted in an attractive multi-colored sunburst design against a cream background.

Fondly referred to as "the rainbow room," it is a perfect setting for the gleaming white and chrome propane and electrical appliances not to mention the rich woods of radios and record players.

Double-Ring Ceremony at St. Anne's Church

ATHABASCA — A mid-afternoon double-ring ceremony in St. Anne's Roman Catholic Church, Thorhild, united in marriage Miss Louise Saunders and Henry Olchow, both presently of Athabasca. Reverend Father Roberts performed the ceremony.

The bride's gown was of French lace over blush mirror satin with a bouffant tulle skirt accentuated by applied roses. A nylon coronet with seed pearls held her finger-tip veil of illusion in place. The bride's bouquet was of white gardenias, stephanotis and trailing ivy. Her only jewellery was an heirloom gold cross.

Maid of honor was Miss Elfriede Schinkinger. Bridesmaids were Miss Carol Saunders, Miss Caroline Olchow, Miss Joanne Patry and Mrs. Alex Byrtus. All wore identical gowns of turquoise tulle over matching taffeta. To complete their ensemble they carried bouquets of pink and white carnations.

The groom's brother, Eddie Olchow, was best man. Ushers were Ronald Wasel, Alex Byrtus, Bill Peter and Joe Hickel.

A reception and dance for 350 guests followed the wedding ceremony.

The young couple will reside in Athabasca.

Shop Teacher At Athabasca

Athabasca School will not open until Tuesday, September 7, due to very bad road conditions caused by continual rainfall. There are 24 teachers on the staff. Included in this number is a shop teacher. This course has not been available for several years due to lack of a tractor.

Charles Fowlie Passes Away

COLINTON — Charles Fowlie, well-known business man and old-time resident of Colinton and Athabasca, passed away suddenly on Friday evening.

He had finished his day's work at the store, and was closing up when he collapsed. Mr. Fowlie had been in poor health for some time, and it is believed he suffered a stroke.

He leaves to mourn his loss, his loving wife, Nora, a daughter, Jean, and one grandchild.

Dr. Rowand Honored

Dr. James G. Rowand of Edmonton and Athabasca has been honored by a fellowship in the American Academy of Optometry. Dr. Rowand has a large practice in the Athabasca district. The American Academy of Optometry is composed of practicing optometrists, optometric educators and scientists and research workers in the visual and allied fields, pledged to the conservation of human vision.

One Dead, Another Paralyzed In Bremner Crash

EDMONTON (BUP)—An Edmonton man died last Friday night in a collision between a train and a truck near Bremner, Alberta.

The victim was 44-year-old Wesley Roy Mingle, and a companion John Beattie of Edmonton, is in hospital with serious injuries suffered in the crash.

Police say Mingle was driving a construction company truck when the accident occurred at a railway crossing on Highway 55. The train was bound from Edmonton to Lloydminster.

Hospital authorities say the condition of Mr. Beattie is still serious. In addition to a broken neck, he suffered multiple fractures and internal injuries, and is also reported paralyzed.

Canada's public hospitals operated at nearly four percent above rated capacity in 1952, average 103.6 beds set up per 100 capacity.

EDMONTON (BUP)—A 19-year-

old man was sentenced to seven
years in the penitentiary in Ed-
monton police court last Thursday.

David Eastern pleaded guilty to
a charge of wounding. A second
charge of attempted robbery with
violence was withdrawn.

Eastern was arrested in con-
nection with an attack on Max
Weinlos, proprietor of the Empire
Exchange, at 19250, 101 Street.
Weinlos, as a result of the attack,
lost the sight of his right eye.

Police said Eastern entered the
shop August 12 and asked to be
shown some shoes. When Weinlos
turned his back, the man struck
him with a bottle, hit him with his
fists and began going through his
pockets.

Weinlos said when he shouted
for help the man ran from the
store.

During the attack, the propie-
tor's glasses broke and slashed his
eyeball.

Billy Graham

Whose New Inspirational Column
appears each week in "Country
Life" section of this paper.

In evangelistic crusades that have taken him to many parts of America and
Europe, the Reverend William Franklin ("Billy") Graham has become
known as today's most fiery and persuasive gospel preacher. Audiences of
many thousands are drawn to his meetings in revival tabernacles, municipal
auditoriums, and churches, and a wider public is also reached through radio
and television.

In the last dozen years, Billy Graham has spoken literally to millions of
people. In England, it was said, he captured the popular imagination like no
preacher since John Wesley. In North Africa, France, Germany, Italy and
Switzerland, he spoke through interpreters.

Billy Graham's spiritual appeal crosses denominational divisions!

New CPR Train Service Started Monday

EDMONTON (BUP) — There is more speed and less train in a new rail service started between Edmonton and Calgary Monday.

The Canadian Pacific Railway at dayliner self-propelled diesel cars into service to replace the Chinook passenger trains now operating. The new stainless steel units make the trip in three and one-half hours compared to the more than five hours required by the Chinook.

There will be nine stops, involved in the new service—at South Edmonton, Leduc, Wetaskiwin, Ponoka, Lacombe, Red Deer, Innisfail, Olds and Didsbury. The southbound train will leave Edmonton about 40 minutes later than the present train, arrive in Calgary sooner. It will leave later on the northbound run at night. The new cars will carry three crewmen compared to the five on the Chinooks.

Edmonton Bridges Falling Down

EDMONTON (BUP) — A third arch of Edmonton's new one-million dollar bridge cracked during the week-end.

The new damage, which occurred while the high waters of the North Saskatchewan river were receding, means that all the arches between piers three and six are out.

The two spans between piers three and five collapsed into the river Friday, when supporting timber falseworks were toppled by driftwood and the pressure of mounting water.

The project manager for the bridge constructors, Gordon Marquis, says the full extent of the damage to the bridge cannot be determined until the water has subsided enough for examination of the piers.

Power plant officials say the

river has dropped 9.6 from the high point reached Friday. They add, however, that the present reading of 67 feet is still fairly high, as the normal reading for this time of the year is about 56 feet.

Kiddies Love Rain School Opens Late

EDMONTON (BUP) — The heavy rains that have hit Alberta are causing headaches for highways officials, but cheers among some school children.

Highway officials have had to ban truck traffic on some roads because of the condition in which the rain has left them.

And in the Clover Bar school division, Superintendent J. C. Jonason says school will not open until September 7, a week late. He says the condition of the roads makes it impossible for some of the school vans to operate.

Edmonton Men Head Executive

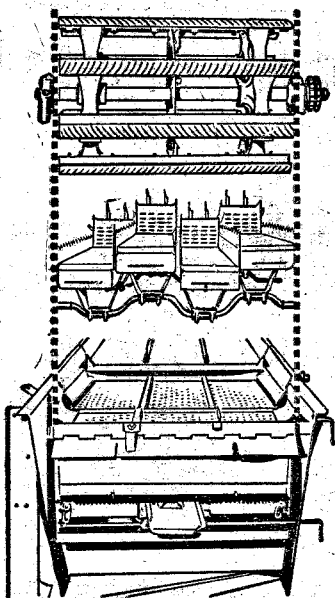

EDMONTON (BUP) — An Edmonton man, Steve Dubas, was elected president of the Canadian Federation of Newman Clubs at the annual convention in Edmonton Saturday.

According to the rules of the organization, Secretary Jewel Dwyer and Treasurer Joseph Blonsky are also from Edmonton. The vice-president, Patricia Herferman, is from Vancouver.

The regional vice-presidents are Dolores Skattak of Calgary for the west, Owen Doud of Ottawa for the central region, and Carmel White of Halifax for the eastern region.

About 40 delegates from across the country attended the three-day convention. Sessions were held at St. Joseph's College on the University of Alberta campus. The convention will be held next year in Fredericton, New Brunswick.

THE PRIZE-WINNING DESIGN for the Alberta of Edmonton, is shown here on the engraving Golden Jubilee Calendar, drawn by Charles Tweed, camera ready for production.

YOUNG EDMONTON MAN WINS \$500 FOR FIRST PRIZE COVER DESIGN

Charles Tweed, 24, of Edmonton, is the winner of a province-wide competition for a cover design for the Alberta Golden Jubilee Calendar, and the recipient of a \$500 prize awarded by McClelland & Stewart Ltd., Toronto, it was announced by the Hon. C. E. Gerhart, Chairman of Alberta's Golden Jubilee Committee.

The prize winning design is a symbolic drawing done in the modern manner, with elements representing the various phases of the provincial scene — wheat, oil, lumbering, dairying, ranching, mining and industry. The cover is to be reproduced in seven colors plus gold, and will symbolize the contents of the calendar which, in some 18 full color pages, will represent through the year, Alberta in her most exciting and lovely moments.

Mr. Tweed is a graduate of the Chicago Academy of Fine Art. He was born at Lethbridge and came

to Edmonton in 1937. He attended Edmonton schools, graduating from Garneau High School. His wife is also an artist. The Tweeds met when they were attending the Chicago Academy. Mr. Tweed is practising as a freelance artist in Edmonton and is the acting art director for James Lovick Ltd. of Edmonton.

The Jubilee Calendar is to be offered for sale in the near future and will be ready for distribution by Nov. 20. Orders may be placed

for the calendar with the Golden Jubilee Committee.

Andrew Girl Takes Drama Banff School

Miss Joyce Woroschuk, daughter of Mr. and Mrs. D. J. Woroschuk and a Grade 9 student of Andrew school has recently completed a six-weeks course in drama at the Banff School of Fine Arts. While at the school Joyce studied acting by Stanislawski, basic voice training for speech, stage craft and make-up. She plans to take further training in drama next summer, at the same Banff school.

Water Wells Unfit For Drinking

DRUMHELLER, Alta. (BUP) — More than 6,000 persons at Drumheller have been affected by a medical officer's order condemning water wells.

Doctor A. A. Thompson made the order to combat the possibility of typhoid after serious flooding rided when the Red Deer River overflowed its banks.

RCMP reported Sunday that the river was gradually falling but at several points they added, the river was still running over its banks.

When the flood reached its height, members of the Civil Defence volunteered for duty and battled for some 36 hours. RCMP helped in the evacuation of persons from flooded homes, but reported no casualties. Many families lost their clothing and possessions during the flood, but it is not known whether a flood fund will be started.

New Power Line Now Completed In Watino

A jump in about 75 years of progress has taken place as the new power line was completed this last week in Watino. The busy pole crew of Canadian Utilities Ltd. completed hanging the wires and transformer boxes around town and everybody is looking forward to being hooked up which means goodbye to the old coal oil lamps.

Rodino Sports Held August 18

A fine day brought a good crowd to the Rodino Sports held August 18. Five ball games were played with eight teams in attendance.

Results were as follows: Lake Gilroy 10, Rodino 8; Atkinson 11, Maple Lodge 5; Rodino Boys 5, Ecco Boys 1; Lake Gilroy Ladies 16, Rodino Ladies 9;

Final—Lake Gilroy 19, Atkinson 17.

Numerous races and competitions were held in addition to the ball games. Thanks go to Mr. and Mrs. F. Greenwood for managing this part of the sports and to Mr. Nutt for umpiring the games, and to the various ball teams attending. A special thank you to Glenn Hollar for bringing his softball boys' team.

Work On Watino Bridge Delayed By High Water

The hopes of many to see the Watino bridge finished this year are being disappointed. As will be recalled, the work had to be slowed down this spring because of the spring break-up and high water and the rainy summer has kept the Smoky River at a high level, preventing any further work on piers No. 1 and 2.

At present the Assiniboia Construction Company with G. Ainsley in charge, is trying to get No. 1 hole under control, driving new steel cribbing with a view to pump the hole dry so that the cement work may be accomplished.

Three full steel spans are completed or exactly half the bridge and G. Harps, in charge of the government steel gang, is planning to start building the deck in September. Part of the material is already at hand.

The new road approaches to both ends of the bridge have been completed involving the moving of over 150,000 yards of fill and surfacing of this road will be done in the near future.

500 Made Homeless By Floods

EDMONTON (BUP) — The rain and gloom the weatherman has tossed at Alberta reached a climax along the Red Deer River in the Drumheller district.

About 500 persons were forced to evacuate last week when the river rose to the 21-foot mark; and coal mines in the district practically all close down because the miners couldn't reach the pits. No serious casualties have been reported, but damage is expected to be widespread.

Falher Ends Season Win At Dawson

The Falher Canadians made two straight over Donnelly in tournament ball as they defeated Donnelly 1-0 in a 10-inning thriller. The hero of the game was Habbkirk as he drove out a single in the bottom of the 10th to score. Stewart had previously walked, took second on Savold

sacrifice and advanced to third on a wild throw by Pitcher Doucette. Teske on the mound for Falher was a master over Donnelly as he struck out 11 opposing batters.

In the final game of the year, Donnelly defeated Falher 6-1 and thus captured the league championship in two straight games. The winning pitcher was Boulet.

Ball players of yester-year took to the field last Wednesday night as Falher Old-timers lost a thriller to Girouxville 9-6.

It was a great experience to see Tommy and Tony Dentinger, Royal Leduc, Levi Vestrade, Gordon Pierce, Paul Boisvert and others don a uniform.

Mrs. Coxford Honors Guests

MANNVILLE—Mrs Jack Coxford entertained at tea on Wednesday last in honor of Mrs. Ross Land of Cardiff, Wales, who was visiting her. Another guest of honor was Miss Eva Young of McGill University, who was visiting with Miss Jean Allanach for a few days.

Harvesting Started In Peace River District

Last week cloudy weather kept harvesting operations to the minimum but some combining was done on Creeping Red Fescue and some barley was reported cut.

Rainy weather during the past week has retarded the progress of crops in central and north-central Alberta, and hot weather was urgently needed to hasten maturity, the Alberta Pacific Grain Co. Ltd. announced.

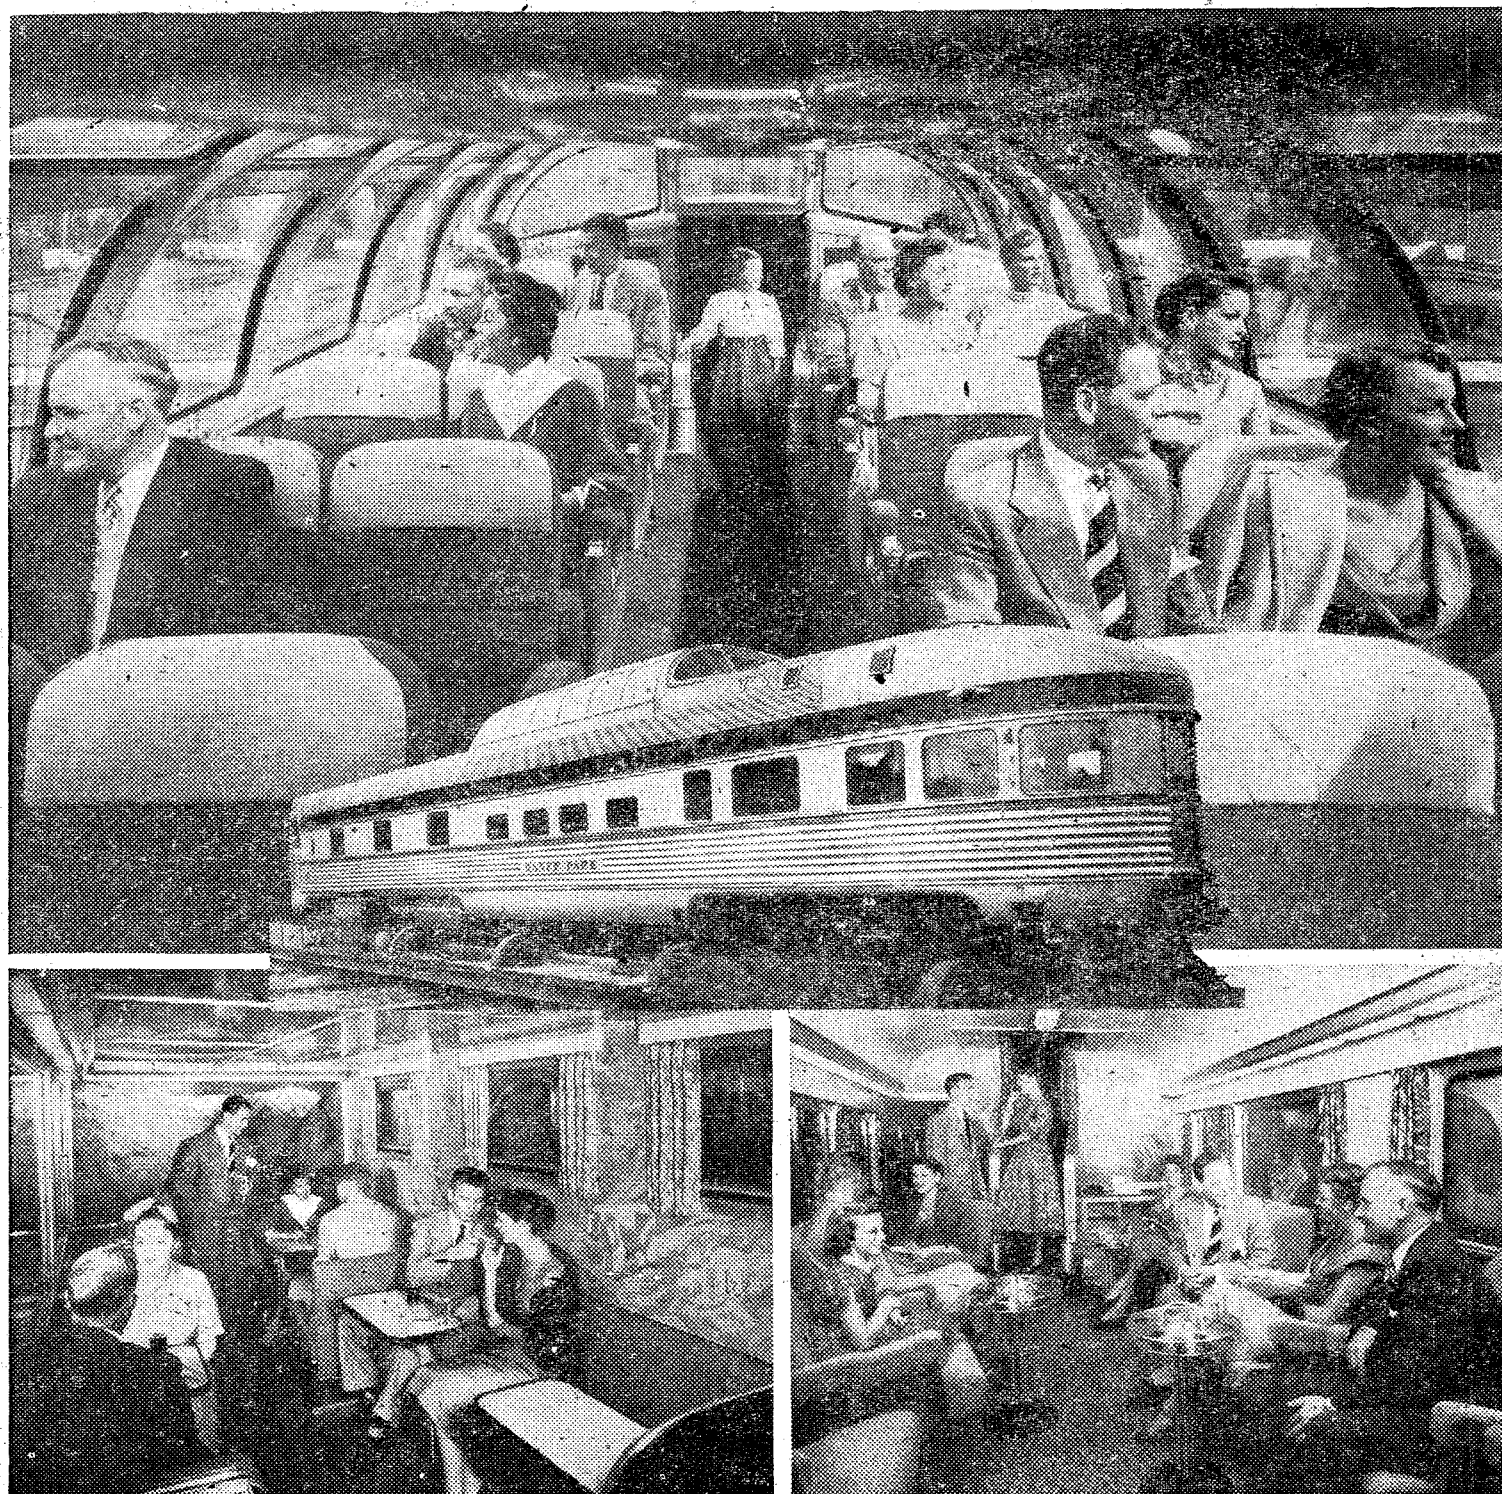

All grain was headed in the Peace River district, and filling well, the report stated, but dry weather was needed for maturity.

Some grasshopper damage was reported in the Smoky River territory, but as yet, according to officials, it was not extensive. General conditions there were described only as fair, with crops being three weeks late.

Rainfall at Fairview and Grande Prairie was well above last year.

Parliamentary government was established in Canada in 1758.

NEW RAILWAY CARS TO CROSS ALBERTA ON C.P.R. MAIN LINE

A series of views of the Canadian Pacific Railway's new scenic dome lounge cars which will form part of the 15 new streamlined stainless steel trains now on order to replace existing equipment on the transcontinental runs between Montreal and Toronto and Vancouver, is shown above. Eighteen cars of this type, now being displayed in a transcontinental tour of Canada, are included in the CPR's \$40,000,000 order for 173 new cars, which will be put into service on existing trains as they are received from the builders, the Budd

Company of Philadelphia, during the next year. The first of the new scenic dome cars is shown in the centre above, while top photo gives an idea of how Canada's exhilarating scenery will be viewed by Canadian Pacific travellers of the future. Bottom left is a photo of the car's exciting mural lounge, with mural decoration an original oil painting executed by a leading Canadian artist in background. Bottom right is scene in car's lounge, showing curving stairway up to scenic dome.

CALGARY MURDER SUSPECT IS PICKED UP IN SAN FRANCISCO

SAN FRANCISCO (BUP)—Donald Winslow Henderson, one of Canada's most wanted fugitives, is in the custody of the U.S. immigration authorities facing deportation as an "undesirable alien."

Henderson, 35, wanted by Calgary police for the 1949 murder of his common-law wife, was turned over to federal authorities Saturday. Police said the deportation proceedings were routine in such cases where a fugitive has entered the country illegally.

Henderson was arrested by South San Francisco police shortly after he paid a fine for drunkenness. Police said he had used the assumed name of Raymond Martin.

The murder suspect refused to admit his real identity until fed-

eral authorities entered the case. He had denied ever being in Canada.

Police said Henderson was tripped up when his fingerprints were sent to Washington purely as a matter of routine.
